

No Go Zones for Buller Gas Pipework.

Green	Mechanical excavation with Backhoe, Excavator allowed
Yellow	Mechanical excavation with Backhoe, excavator allowed, ONLY if there is an experienced Spotter who has over 5 years' experience on machine being used (ie. Excavator or Backhoe)
Red No Go Zone	No Mechanical excavation allowed. Hand Digging with Shovel, or Hydro Excavation Only.

Any work in the **No Go Zone**, or **Spotter Zone**, requires a Ground Opening Permit - available from Buller Gas (bullergas@indigoshire.vic.gov.au)

For Further information regarding No Go Zones, please refer to the Under-Ground Services Guide book available from the Energy Safe Victoria Website (www.esv.vic.gov.au), or from the WorkSafe Victoria website (www.worksafe.vic.gov.au)
